Mei
15 years old
During high-school, there were a senpai I liked
but I think he was an average person
I don't remember what he looks like

He told me I was cute all the time, and kissed me
My body was smaller than it is now, and he treated me like a girl
But he held me, so I thought we were lovers
He never told me he liked me
Then I heard in a rumor that he had a girlfriend

I was so mad so I cross-dressed and went to his place
and a girl clearly uglier than me was there
I said something casual and had her leave
Then I held him like crazy
That was the first time I cross-dressed
and that was the first time I held someone

And that was the end of senpai
MY PLACE..?
HOW DID YOU KNOW WHERE I LIVE?

THE RENT IS 40,000 YEN
SO YOU DIDN'T GO HOME

YOU TOLD ME WHEN YOU WERE HALF ASLEEP
YOU LIVE IN A CRAMPED PLACE, HUH?
